

Dear students;

This is to inform that all students entering 2021 onwards are required to submit one of the following English certificate:

Test	Minimum Score
TOEFL (iBT)	69 overall
TOEFL (PBT)	525 overall
IELTS Academic	5.5 overall

➤ In case of not having the above certificates, you must participate in an English level test (MHLE) approved by the Iran Ministry of Health and Medical Education. If pass the test, an exemption certificate will be given to you.

Test	The equivalent Score
TOEFL (iBT) = 70	MHLE = 60
TOEFL (PBT) = 520	MHLE = 60
IELTS Academic = 6	MHLE = 60
IELTS Academic = 5.5	MHLE = 55

Students who want to attend the MHLE exam, the registration guide file and Schedule of registration and participation in the MHLE exam are as below:

MHLE exam time table

Report card distribution Time: 12 o'clock	Holding the test Time: 12 o'clock	Card distribution Time: 12 o'clock	End of registration and editing Time: 12 o'clock	Beginning of registration and Editing Time: 12 o'clock	period
2022-11-6	2022-10-27	2022-10-25	2022-10-19	2022-10-2	68
2023-1-1	2022-12-22	2022-12-20	2022-12-14	2022-11-6	69
20323-2-26	2023-2-16	2023-2-14	2023-2-8	2023-1-22	70

Registration Method:

A) Preparation of documents: Candidates must scan a full-face photo with a bright background (taken this year), the national card and the first page of their identity card, and when registering, through the same site to the assessment center send medical training.

Note: Each submitted image must be in jpg format and 20 to 300 KB in size

B) For online registration, note the following points:

1. Scanning and preparing documents (according to paragraph A)
2. Enter to the website below:
www.sanjeshp.ir
3. Select the "**MHLE language test**"
4. Click on "Send Documents & Register"
5. Select the link "**Electronic payment of registration fee**"
6. Return to the registration page
7. Submit documents separately and individually (after sending the documents, the "Registration" button is activated)

- When sending documents, you must select the title of the submitted document from the "Type of submitted document" section for each document and then send it:

Personal Photo

National Card

ID card

8. Click on the "**Registration**" button and view the Registration Form

9. Complete the registration form and receive the Registration Code (in case of not receiving the Registration Code, it means you could not register successfully.)

Note 1: Forms that are filled in using the Persian alphabet will be deleted.

Note 2: Failure to send documents is considered as cancellation of participation in the test and payment of the test fee, registration and having a registration code without sending any of the above documents, is invalid and is not allowed to participate in the test.

Note 3: Print or save the Registration Code and keep the registration code; all the next steps, from receiving the exam entry card to receiving the transcript will be done by this code.

C) Distribution of the exam entry card: Candidates must refer to the website of the Medical Education Assessment Center in the timetable announced before and receive the card.

Candidates must print the exam entry card and present it with their student card or passport to enter the exam hall.
